## Clearview Public Library Launches User-Friendly Website Redesign

---

CLEARVIEW, ON, October 29, 2025 – Clearview Public Library invites you to explore our [newly redesigned website](#), which launched last week. All the features our patrons love, including access to our many eResources (eBooks, eAudioBooks, eNewspapers and eMagazines, and databases), are now easier to access.

CEO Jennifer La Chapelle is grateful for the upgraded user experience, “This important upgrade in our online presence has been made possible by the County of Simcoe IT Department staff. We are extremely excited about our new website!”

The website was designed with improved navigation and functionality in mind to offer the ultimate user-friendly experience. Visit the Clearview Public Library online at [www.clearviewpubliclibrary.ca](http://www.clearviewpubliclibrary.ca) to explore its new features.

Registration for programs is featured on the homepage for easy access. Through our [Donations Page](#), patrons can easily contribute either books or monetary donations via [CanadaHelps](#) to the [Library’s ongoing activities and Creemore Branch Addition fundraising project](#).

Clearview Public Library’s mission is to cultivate a dynamic and vibrant community by championing literacy, fostering recreation, and nurturing connections, and this redesign is key to achieving that mission.
