

Notice - 2023 Spring Street Sweeping

On April 24th, Spring street sweeping began in Clearview Township and will take approximately five weeks to complete.

It is requested that residents avoid parking on the street as much as possible. When cleaning up your yard or driveway please spread sand evenly along the curb or the edge of the road, as piling it in a mound makes it more difficult for the street sweeper to pick up.

The sweeping will start in Stayner and then move to other areas of the Township as roads are completed.
