Clearview.ca Wins Award of Excellence at the International Communicator Awards

CLEARVIEW, ON June 13, 2019 – In conjunction with Upanup, Clearview Township is proud to announce that the Township's website, Clearview.ca, newly launched in 2018, has been granted an "Award of Excellence" in the Websites-Government category from the Communicator Awards.

Upanup is an award-winning digital agency based out of Victoria, BC and Calgary, AB. They provide leading government website solutions for municipalities across Canada. The Township continues to partner with their team to support Clearview.ca.

A leading international awards program that recognizes big ideas in Marketing and Communications, the Communicator Awards is one of the largest competitions of its kind, reviewing over 6,000 entries worldwide.

Entries in the Communicator Awards are judged by a panel of industry-leading experts and evaluated based on how the work communicates a message to its audience and makes a lasting impact. Entries are assessed on a 100-point scale and "Award of Excellence" winners must receive a score of 90 points or above.

The re-development of Clearview.ca was a large undertaking approved by Clearview Council to provide an easy to navigate, accessible, user-friendly and responsive website for Clearview residents. A central location for information, news and resources. A true accomplishment for Clearview Township and Upanup.
