FOR IMMEDIATE RELEASE

Public Input Needed on Clearview's Official Plan Review

CLEARVIEW, ON October 8, 2019 – Clearview has initiated a review of the Township's Official Plan and is looking to gather residents' input.

A municipality's Official Plan is a statement of goals, objectives and policies that guide future growth, land use and development within the Township for the next 25 years and beyond. The Provincial Planning Act requires this plan to be reviewed to ensure that it conforms with Provincial Plans and Policies.

Clearview Township would like to invite residents to participate in the Official Plan Review process by filling out an online survey. The survey is brief and only takes five to ten minutes to complete. Help shape the future vision and direction of Clearview by filling out the Official Plan Review survey at www.clearview.ca/OPreview. Responses are being accepted until November 17th.

Residents can also submit their comments at the upcoming Public Meeting on November 4th at 6:30 PM in the Council Chambers at 217 Gideon Street in Stayner. The meeting will provide members of the public with information about the Official Plan Review process and how to participate.

For more information on the Official Plan Review or if you would like to participate in the review process by filling out the survey, please visit www.clearview.ca/OPreview.
