Rabies Vaccination Certificate Needed to Purchase Dog Tags

2020 Dog Tags are available for purchase at the Clearview Administration Centre located at 217 Gideon Street in Stayner. Residents are required to purchase a dog license for every dog over 3 months (12 weeks) of age.

To purchase a dog license, you are required to bring with you a valid Rabies Vaccination Certificate to show proof that a rabies vaccination has been administered.

The dog license is renewable annually with the license year running from January 1st to December 31st. There is a grace period between January 1st and March 31st to allow residents time to obtain the current year's license.
