CLEARVIEW, ON April 19, 2021 – This National Volunteer Week, Clearview Township would like to extend a sincere thank you to all of the volunteers in our Township that have helped to create a safe, connected and vibrant community over the past year.

April 18th to the 24th, 2021 is [National Volunteer Week](#), a chance to say thank you to the volunteers here in Clearview Township and across Canada. The theme this year, “The value of one, the power of many”, reflects the positivity and compassion that are evident when people work together to support their community and one another.

Clearview is grateful to the many volunteers from our service organizations, hall boards, societies and committees all working to strengthen our community.

Mayor Measures recognized Volunteer Appreciation Week on behalf of Clearview Council and the municipality, “We are a community of caring compassionate people in Clearview. It’s a testament to the heritage of Clearview and to the future of our community that we have such dedicated and creative volunteers. The generosity of volunteers across Clearview Township is appreciated every day. “

Their efforts have been especially visible during this past year, supporting the Clearview Stayner Foodbank and organizing COVID safe events and activities to keep our community connected and strong as we remain apart. Please join us in extending appreciation to all our volunteers.
