Report Number: FIN-030-2017

**Department:** Finance

Meeting Date: 2017-07-31

**Subject:** 2016 Development Charge Statement

#### **RECOMMENDATION:**

Be It Resolved, that Council of Township of Clearview hereby:

- 1) Receives the 2016 Development Charge Statement including the "Treasurer's Statement, 2016 Development Charges" for information.
- 2) Direct the Treasurer to forward a copy of the "Treasurer's Statement, 2016 Development Charges" to the Minister of Municipal Affairs and Housing.

## **BACKGROUND:**

Section 43 of the "Development Charges Act, 1997", as amended, requires the Treasurer of a municipality each year to give the council a financial statement relating to development charge bylaws and reserve funds established under Section 33, being the separate reserve funds for each service to which the development charge relates.

Further, the treasurer shall give a copy of the statement to the Minister of Municipal Affairs and Housing within 60 days after giving the statement to Council.

The most recent contact for the Ministry is:

Tristin McCredie, Municipal Advisor, Municipal Affairs and Housing, 2<sup>nd</sup> Floor, 777 Bay Street, Toronto, ON M5G 2E5.

## **COMMENTS AND ANALYSIS:**

The collection of development charges supports the funding of municipal infrastructure and capital projects.

Reserve funds are consolidated for banking purposes. Generally, development charges are not collected until after waterworks and sanitary sewage works capital costs have been incurred.

Large amounts of Stayner Sewer DCs including the pre-payments made in 2012 and 2014 were spent in 2014 and 2015 and some in 2016 to assist in the construction of the Stayner-Wasaga Beach Sanitary Sewer Connection Project. The project also has a grant component to assist with the costs. The projects associated with the pre-payments are; KRESI works, STP Pumping Station, Forcemain to KRESI, Mowat Extension, Emerald Extension and Industrial Servicing.

A substantial portion of the development charges were directed towards debt repayment and sanitary sewage works in 2016. Some of the Stayner Sewer prepaid DC credits were transferred from one owner to a new owner.

# **CLEARVIEW STRATEGIC PLAN:**

- 5.1 Undertake regular evaluations and performance measurement of delivery of municipal services.
- 5.5 Undertake regular communications to describe the activities undertaken by Clearview.

#### **COMMUNICATION PLAN:**

Post on website.

Place in Public Finance binder on display in Administration Centre.

#### **FINANCIAL IMPACT:**

Development charges fund a portion of growth-related capital costs.

The balances of the reserve funds and collections of development charges are taken into account in the preparation of the budget and long term financial plan.

#### Financial Statement relating to Development Charges By-laws and Reserve Funds

Governing Act: Section 43 of the "Development Charges Act, 1997", as amended Paragraphs 12 and 13 of "Ontario Regulation 82/98", as amended

Governing By-laws: By-law # 14-58 replaces 09-50 effective July 14, 2014

## **Background**

Section 43 of the "Development Charges Act, 1997", as amended, requires the Treasurer of a municipality each year to give the Council a financial statement relating to development charge bylaws and reserve funds established under Section 33, being the separate reserve funds for each service to which the development charge relates. Further, the Treasurer shall give a copy of the statement to the Minister of Municipal Affairs and Housing within 60 days after giving the statement to Council.

Reserve funds established under the old Act for eligible services under the new Act are deemed to be reserve funds under the new Act, that is, they continue to be considered as development charges reserve funds. These reserve funds were previously consolidated with reserve funds under the new Act. Reserve funds established under the old Act for ineligible services under the new Act are deemed to be general capital reserve funds. Both types of reserve funds may previously have been included in the Treasurer's Statement in order to provide for a transition from the old Act to the new Act. In addition, the Recreational Land and Federal Gas Tax Reserve Funds, being legislative reserve funds, and Parking, Creemore Sewer Project, and Carruthers Memorial Reserve Funds have been included in the Treasurer's Statement.

By-law #14-58 came into effect on July 14, 2014 and incorporated By-law #14-40. There were no amendments in 2016.
